

SRI RENESH M

manisree161@gmail.com | +91 98945 67704 | Coimbatore, Tamil Nadu | github.com/Srirenesh

PROFESSIONAL SUMMARY

Motivated and detail-oriented fresher with hands-on experience in machine learning, data visualization, and data analytics. Completed an internship as a Data Scientist at Stelaraa, gaining practical exposure to ML algorithms and statistical methods. Proficient in Python, R, SQL, and Power BI. Passionate about leveraging data-driven insights to solve real-world problems and support strategic decision-making.

INTERNSHIP EXPERIENCE

Data Scientist Intern — *Stelaraa* | Coimbatore, Tamil Nadu

- ▶ Gained hands-on exposure to 5+ machine learning models and data visualization tools, contributing to 3 real-world analytics projects.
- ▶ Applied 8+ data analysis techniques to real-world datasets, improving analytical workflow efficiency by 30%.
- ▶ Built a strong foundation in 10+ ML algorithms and statistical methods, applying them to predictive modeling tasks with measurable accuracy improvements.

PROJECTS

Smart Farm AI | *Python, Machine Learning, Data Analytics*

- ▶ Developed an AI-based smart farming system monitoring 5+ agricultural parameters to optimize farm productivity by up to 25%.
- ▶ Analyzed 10,000+ sensor and environmental data points to generate actionable insights for irrigation scheduling and crop planning.
- ▶ Applied 4+ ML techniques for pattern recognition, achieving 85%+ accuracy in data-driven decision support for farmers.
- ▶ Enabled real-time data processing pipeline handling continuous data streams; designed modular, version-controlled architecture on GitHub with 10+ commits.

EcoRoute-AI – Intelligent Sustainable Route Optimization System | *React, TypeScript, ML, API Integration*

- ▶ Developed an AI-powered sustainable route planning system recommending eco-friendly travel paths, targeting up to 30% reduction in carbon footprint.
- ▶ Integrated 3+ external APIs to fetch real-time route data, generating intelligent low-emission travel recommendations across 10+ route options.
- ▶ Built a responsive, interactive web interface with real-time visualization, reducing route decision time by 40% for end users.
- ▶ Maintained version-controlled deployment on GitHub with 15+ commits, enabling seamless collaboration and future enhancements.

Crime Data Analysis and Visualization | *Python, Pandas, Matplotlib*

- ▶ Analyzed 50,000+ crime records across 28 Indian states using a comprehensive dataset covering 10+ key crime categories.
- ▶ Created 15+ bar charts and visualizations to illustrate crime distribution, identifying top 5 high-risk regions with 90%+ accuracy.
- ▶ Delivered a visual narrative adopted for policy insights, improving data-driven public safety awareness for 3+ stakeholder groups.

Job Market Predictions in Python | *Python, Pandas, Matplotlib*

- ▶ Conducted predictive analysis on 5,000+ job listings to identify market trends for data science roles across 10+ industries.
- ▶ Extracted insights into salary patterns (ranging ₹3L–₹25L), 20+ in-demand skills, job locations, and industry-specific hiring trends to guide career decisions.

TECHNICAL SKILLS

- | | |
|-------------------------------------|-------------------------|
| ▶ Python Programming | ▶ Data Visualization |
| ▶ Machine Learning | ▶ Big Data Analytics |
| ▶ Natural Language Processing (NLP) | ▶ Excel (Data Analysis) |
| ▶ SQL | ▶ Canva Designing |
| ▶ Power BI | |

EDUCATION

Bachelor of Science in Computer Science with Data Analytics | Jun 2023 – Apr 2026

Sri Ramakrishna College of Arts & Science, Coimbatore

Higher Secondary Education (HSC) | Jun 2022 – Apr 2023

Presentation Convent Matriculation Higher Secondary School, Coimbatore

CERTIFICATIONS

- ▶ Data Mining and Data Warehousing — TCS ION
- ▶ Data Modeling and Data Visualization — TCS ION
- ▶ Big Data Analytics — TCS ION
- ▶ Exploratory Data Analysis — Infosys Springboard
- ▶ Introduction to Cloud Computing — Infosys Springboard
- ▶ Natural Language Processing for Developers — Infosys
- ▶ SQL and Relational Database — IBM
- ▶ Data Analytics & Job Simulation — Accenture
- ▶ Certified Python Associate (CPA) — Accredion.org

ACHIEVEMENTS

- ▶ Runner-Up — Stathaton 2025–2026 (All India Level Competition)
- ▶ Participated in National Level Israel Hackathon — Sri Ramakrishna College of Engineering
- ▶ Participated in National Level Datathon — Coimbatore Institute of Technology (CIT)
- ▶ Completed Assistant Data Analyst Training Program — Sambhav Foundation

LANGUAGES

English | Tamil | Malayalam
